Pine Valley Water Supply Project

Upcoming works along Forest Hills Drive

Our delivery partner **Downer** and their subcontractors will soon commence works in preparation for upcoming pipe installation across Forest Hills Drive, Morayfield.

Construction activities are planned to commence from **early to mid-September 2026** and will take up to eight weeks to complete, weather and site conditions permitting.

To safely complete these works a partial lane closure will be required on Forest Hills Drive for the duration of the work. We recognise the ongoing disruption experienced by the community and have carefully planned these works to minimise the duration of traffic impacts.

(*See map overleaf for location details).*

Work Hours

Works will continue to be carried out **Monday to Friday**, between **6:30am to 6:30pm**, weather and site conditions permitting.

What to expect:

- Construction of a temporary lane to maintain vehicle access during works, including the removal of some vegetation.
- **Temporary traffic changes**, including short-term partial lane closures, traffic light set-up and signage will be in place to safely complete these activities and manage construction vehicle movements. Traffic controllers will be onsite when required to maintain access and ensure the safety of motorists, pedestrians and our work crews.
- You may experience traffic delays so please plan your trip ahead of time.
- **Intermittent noise, dust, and minor vibration** from construction equipment and general disruption may be experienced during these works.
- Once works are complete, the road will be temporarily restored and reopened to traffic. Permanent reinstatement will occur at a later date, and a project update will be provided once the timing is confirmed.

Our commitment

We'll make every effort to minimise disruption during this time. We will also keep directly impacted community members informed by providing regular updates throughout the project. We appreciate your patience as we carry out these important works.

Date

3 September 2026
