Reasons for Amendment/s

In accordance with the Unitywater Connection Policy, **schedule 3, table 6**, this request/s will be assessed against the same Connection Criteria as the category for the original Connection Application; to the extent the criteria are relevant to the request. Please attach additional pages if space below is insufficient.

Confirmation that Amendment/s will not result in the approval becoming a different category of approval

Confirmation that amendment/s will not result in the approval becoming a different category of approval

Please confirm the following statement by signing where indicated:

It is my understanding that approval of the requested amendment/s will not change the category of the original approval.

Signature of applicant: _____ Date: _____

It is a requirement of the Unitywater Connection Policy, **schedule 3, table 6**, that the applicant provide written confirmation that the amendment/s sought will not result in the Water Approval becoming a different category of approval from that originally approved (e.g. that a Water Approval for a Staged Connection will remain a Water Approval for a Staged Connection).

Owner's Consent:

Note: - Failure to provide Owners Consent will deem this application to be Not Properly Made and will not be processed.

Complete either Table A, Table B and or Table C as applicable.

Table A

Note: To avoid delay in assessment of this application, Owners Consent **must** be completed at the time of submission.

Name/s of owner/s of the land the subject of the Water Approval

I/We, the above-mentioned owner/s of the land, consent to the making of this Amendment Request.

Signature of owner/s of the land to be connected

Date

Table B

Name/s of owner/s of the land the subject of the Water Approval

The owner's written consent is attached.

Note: To avoid delay in assessment of this application, Owners Consent **must** be attached at the time of submission.

Owner's consent of any related land

- No other land will be accessed to provide connection (Note that publicly-controlled places, such as roads and parks are exempt from this requirement)
- Yes, other land will need to be accessed to provide connection — Complete Table C

Table C

Name/s of owner/s of related land

Street address (Attach a separate schedule if there is insufficient space in this table.)

I/We, the above-mentioned owner/s of the land, consent to the making of this Amendment Request.

Signature of owner/s of the land to be connected

Date
