Unitywater, PO Box 953,
Caboolture QLD 4510

Printed on environmentally-responsible recycled paper

Your water meter was **NOT** read on _____
because it was:

- Buried or covered - please clear
- Premises locked
- Unable to be located
- Other _____

Please ensure your water meter is clear, visible and accessible. We will attempt to read your water meter again in the next few days. If we are unsuccessful in reading your meter again, the water usage on your next bill will be estimated based on previous actual water meter readings.
