WATER METER READING NOTICE

1300 086 489

Monday to Friday 8.30am - 5pm

 unitywater.com

Your water meter was read on DATE
 AM PM

Your water meter reading _____

Comments _____

This meter reading will appear on your next Unitywater bill, due to arrive shortly.

We audit meter readings in an ongoing effort to ensure our customers' bills are correct. We also recommend you read your water meter to confirm the reading printed on this notice and on your next bill.

How to read your water meter and check for leaks

Unitywater

Serving you today,
investing in tomorrow.

Easily check your water usage with **My Usage Tracker** online. It calculates your daily water usage and can help detect potential hidden leaks.

How to use **My Usage Tracker**

- ▶ Read your water meter

kL

(BLACK NUMBERS ONLY)

- ▶ Go to **Unitywater.com**
- ▶ Sign up to My Account
(IF YOU'RE NOT ALREADY SIGNED UP)
- ▶ Go to **My Usage Tracker**
- ▶ Enter your meter reading

NB: My Usage Tracker is only available for residential properties with one water meter and is not available on mobile devices (phones and tablets). If your property has more than one meter or is non-residential/commercial, it will not appear in My Account.
